

**SYNTHESISED TEXT OF THE MLI AND THE AGREEMENT BETWEEN THE
GOVERNMENT OF MALAYSIA AND THE GOVERNMENT OF FINLAND FOR THE
AVOIDANCE OF DOUBLE TAXATION AND THE PREVENTION OF FISCAL
EVASION WITH RESPECT TO TAXES ON INCOME**

General disclaimer on the Synthesised text document

This document presents the synthesised text for the application of the Agreement between the Government of Malaysia and the Government of the Finland for the Avoidance of Double Taxation and the Prevention of Fiscal Evasion with respect to Taxes on Income signed on 28 March 1984 (the “Agreement”), as modified by the Multilateral Convention to Implement Tax Treaty Related Measures to Prevent Base Erosion and Profit Shifting signed by Malaysia on 24 January 2018 and by Finland on 7 June 2017 (the “MLI”).

This document was prepared in consultation with the competent authority of Finland and represents a shared understanding of the modifications made to the Agreement by the MLI.

This document was prepared on the basis of the MLI position submitted to the Depositary by Malaysia on 18 February 2021 and by Finland on 25 February 2019. These MLI positions are subject to modifications as provided in the MLI. Modifications made to MLI positions could modify the effects of the MLI on the Agreement.

The sole purpose of this document is to facilitate the understanding of the application of the MLI to the Agreement and it does not constitute a source of law. The authentic legal texts of the Agreement and the MLI take precedence and remain the legal texts applicable.

The provisions of the MLI that are applicable with respect to the provisions of the Agreement are included in boxes throughout the text of this document in the context of the relevant provisions of the Agreement. The boxes containing the provisions of the MLI have generally been inserted in accordance with the ordering of the provisions of the OECD Model Tax Convention.

Changes to the text of the provisions of the MLI have been made to conform the terminology used in the MLI to the terminology used in the Agreement (such as “Covered Tax Agreement” and “Agreement”, “Contracting Jurisdictions” and “Contracting States”), to ease the comprehension of the provisions of the MLI. The changes in terminology are intended to increase the readability of the document and are not intended to change the substance of the provisions of the MLI. Similarly, changes have been made to parts of provisions of the MLI that describe existing provisions of the Agreement: descriptive language has been replaced by legal references of the existing provisions to ease the readability.

In all cases, references made to the provisions of the Agreement or to the Agreement must be understood as referring to the Agreement as modified by the provisions of the MLI, provided such provisions of the MLI have taken effect.

- (b) substantial equipment is being used in that State by, for or under contract with the enterprise.

6. A person acting in a Contracting State on behalf of an enterprise of the other Contracting State (other than an agent of an independent status to whom paragraph 7 applies) shall be deemed to be a permanent establishment of that enterprise in the first-mentioned State if:

8. The fact that a company which is a resident of a Contracting State controls or is controlled by a company which is a resident of the other Contracting State, or which carries on business in that other State (whether through a permanent establishment or otherwise), shall not of itself constitute either company a permanent establishment of the other.

1. Income derived by a resident of a Contracting State from immovable property (including income from agriculture or forestry) situated in the other Contracting State may be taxed in that other State.

5. The provisions of paragraphs 1 and 3 of this Article shall also apply to the income from immovable property of an enterprise and to income from immovable property used for the performance of professional services.

6. The provisions of paragraph 4 of this Article shall also apply to the income from a right of enjoyment referred to in that paragraph of an enterprise and to income from such right of enjoyment used for the performance of professional services.

Article 7

BUSINESS INCOME

1. The income of an enterprise of a Contracting State shall be taxable only in that State unless the enterprise carries on business in the other Contracting State through a permanent establishment situated therein. If the enterprise carries on business as aforesaid, the income of the enterprise may be taxed in the other State but only so much of it as is attributable to that permanent establishment.

2. Subject to the provisions of paragraph 3 of this Article, where an enterprise of a Contracting State carries on business in the other Contracting State through a permanent establishment situated therein, there shall in each Contracting State be attributed to that permanent establishment the income which it might be expected to make if it were a distinct and separate enterprise engaged in the same or similar activities under the same or similar conditions and dealing wholly independently with the enterprise of which it is a permanent establishment.

3. In determining the income of a permanent establishment, there shall be allowed as deductions expenses of the enterprise, being expenses (including executive and general administrative expenses) which are reasonably connected with the permanent establishment and which would be deductible if the permanent establishment were an independent entity that incurred those expenses, whether incurred in the Contracting State in which the permanent establishment is situated or elsewhere.

4. No income shall be attributed to a permanent establishment by reason of the mere purchase by that permanent establishment of goods or merchandise for the enterprise.

5. If the information available to the competent authority of a Contracting State is inadequate to determine the income to be attributed to the permanent establishment of an enterprise, nothing in this Article shall affect the application of any law of that State relating to the determination of the tax liability of a person by the exercise of a discretion or the making of an estimate by the competent authority, provided that law shall be applied, so far as the information available to the competent authority permits, in accordance with the principles of this Article.

6. For the purposes of the preceding paragraphs, the income to be attributed to the permanent establishment shall be determined by the same method year by year unless there is good and sufficient reason to the contrary.

7. Where income includes any item of income which is dealt with separately in another Article of the Agreement, the provisions of that other Article, (except where otherwise provided in that Article) shall not be affected by the provisions of this Article.

Article 8

SHIPPING AND AIR TRANSPORT

1. Income derived by an enterprise of a Contracting State from the operation of ships or aircraft in international traffic shall be taxable only in that State.

2. Notwithstanding the provisions of paragraph 1 of Article 7, income derived from the operation of ships or aircraft solely between places in a Contracting State may be taxed in that State.

3. The provisions of paragraphs 1 and 2 of this Article shall also apply to income derived by an enterprise of a Contracting State from its participation in a pool, a joint business or in an international operating agency.

Article 9

ASSOCIATED ENTERPRISES

Where

(a) an enterprise of a Contracting State participates directly or indirectly in the management, control or capital of an enterprise of the other Contracting State, or

(b) the same persons participate directly or indirectly in the management, control or capital of an enterprise of a Contracting State and an enterprise of the other Contracting State, and in either case conditions operate between the two enterprises in their commercial or financial relations which differ from those which would operate between independent enterprises, then any income which, but for those conditions, might have been expected to accrue to one of the enterprises, but, by reason of those conditions, have not so accrued, may be included in the income of that enterprise and taxed accordingly.

The following paragraph 1 of Article 17 of the MLI applies to this Agreement:

ARTICLE 17 OF THE MLI – CORRESPONDING ADJUSTMENTS

Where a Contracting State includes in the profits of an enterprise of that Contracting State — and taxes accordingly — profits on which an enterprise of the other Contracting State has been charged to tax in that other Contracting State and the profits so included are profits which would have accrued to the enterprise of the first-mentioned Contracting State if the conditions made between the two enterprises had been those which would have been made between independent enterprises, then that other Contracting State shall make an appropriate adjustment to the amount of the tax charged therein on those profits. In determining such adjustment, due regard shall be had to the other provisions of the Covered Tax Agreement and the competent authorities of the Contracting State shall if necessary consult each other.

Article 10

DIVIDENDS

1. Dividends paid by a company which is a resident of a Contracting State, being dividends to which a resident of the other Contracting State is beneficially entitled, may be taxed in that other State.
2. However, dividends paid by a company which is a resident of Finland, being dividends to which a resident of Malaysia is beneficially entitled, may also be taxed in Finland and according to the law of Finland, but the tax so charged shall not exceed:
 - (a) 5 per cent of the gross amount of the dividends if the recipient is a company (other than a partnership) which holds directly at least 10 per cent of the capital of the company paying the dividends;
 - (b) 15 per cent of the gross amount of the dividends in all other cases.

3. Dividends paid by a company which is a resident of Malaysia for the purposes of Malaysian tax, being dividends to which a resident of Finland is beneficially entitled, shall be exempt from any tax in Malaysia which is chargeable on dividends in addition to the tax chargeable in respect of the income of the company:

Provided that nothing in this paragraph shall affect the provisions of the Malaysian law under which the tax in respect of a dividend paid by a company resident in Malaysia from which Malaysian tax has been, or has been deemed to be, deducted may be adjusted by reference to the rate of tax appropriate to the Malaysian year of assessment immediately following that in which the dividend was paid.

4. The term "dividends" as used in this Article means income from shares, or other rights, not being debt-claims, participating in profits, as well as income from other corporate rights which is subjected to the same taxation treatment as income from shares by the laws of the State of which the company making the distribution is a resident.

5. Nothing in the foregoing paragraphs of this Article shall affect the taxation of the company in respect of the profits out of which the dividends are paid.

6. The provisions of paragraphs 1, 2 and 3 of this Article shall not apply if the person beneficially entitled to the dividends, being a resident of a Contracting State, carries on business in the other Contracting State, of which the company paying the dividends is a resident, through a permanent establishment situated therein, and the holding by virtue of which the dividends are paid is effectively connected with such permanent establishment. In such a case, the provisions of Article 7 shall apply.

Article 11 **INTEREST**

1. Interest arising in a Contracting State, being interest to which a resident of the other Contracting State is beneficially entitled, may be taxed in that other State.

2. However, such interest may also be taxed in the Contracting State in which it arises and according to the law of that State, but the tax so charged shall not exceed 15 per cent of the gross amount of the interest.

3. Notwithstanding the provisions of paragraph 2 of this Article:

- (a) interest to which a resident of Finland is beneficially entitled shall be exempt from Malaysian tax, if the loan or other indebtedness in respect of which the interest is paid is an approved loan or a long-term loan as defined in section 2(1) of the Income Tax Act 1967 of Malaysia (as amended), or if such interest is paid to the Government of Finland, a local authority or a statutory body thereof, or the Finnish Export Credit Limited or the Finnish Fund for

Industrial Co-operation Limited, or any institution wholly or mainly owned by the Government of Finland, a local authority or a statutory body thereof, as may be agreed from time to time between the competent authorities of the Contracting States;

- (b) interest to which a resident of Malaysia is beneficially entitled shall be exempt from Finnish tax, if such interest is paid to the Government of Malaysia, a government of a State, a local authority or a statutory body thereof, the Bank Negara Malaysia, or any institution the capital of which is wholly or mainly owned by the Government of Malaysia or a government of a State or a local authority or a statutory body thereof, as may be agreed from time to time between the competent authorities of the Contracting States.

4. The term "interest" in this Article means interest from government securities, or from bonds or debentures, whether or not secured by mortgage and whether or not carrying a right to participate in profits, and from debt claims of every kind as well as other income assimilated to interest by the taxation law of the Contracting State in which the income arises.

5. The provisions of paragraphs 1, 2 and 3 of this Article shall not apply if the person beneficially entitled to the interest, being a resident of a Contracting State, carries on business in the other Contracting State in which the interest arises, through a permanent establishment situated therein, and the debt-claim in respect of which the interest is paid is effectively connected with such permanent establishment. In such a case, the provisions of Article 7 shall apply.

6. Interest shall be deemed to arise in a Contracting State when the payer is that State itself, a political sub-division, a local authority or a statutory body thereof or a resident of that State. Where however, the person paying the interest, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment in connection with which the indebtedness on which the interest is paid was incurred, and such interest is borne by such permanent establishment, then such interest shall be deemed to arise in the State in which the permanent establishment is situated.

7. Where, by reason of a special relationship between the payer and the person beneficially entitled to the interest or between both of them and some other person, the amount of the interest paid, having regard to the debt-claim for which it is paid, exceeds the amount which might be expected to have been agreed upon by the payer and the person so entitled in the absence of such relationship. The provisions of this Article shall apply only to the last-mentioned amount. In that case, the excess part of the payments shall remain taxable according to the law of each Contracting State, due regard being had to the other provisions of this Agreement.

Article 12

ROYALTIES

1. Royalties arising in a Contracting State, being royalties to which a resident of the other Contracting State is beneficially entitled, may be taxed in that other State.
2. However, such royalties may also be taxed in the Contracting State in which they arise and according to the law of that State, but the tax so charged shall not exceed:
 - (a) in the case of Finland, 5 per cent of the gross amount of the royalties;
 - (b) in the case of Malaysia, 15 per cent of the gross amount of the royalties.
3. Notwithstanding the provisions of paragraph 2 of this Article, approved industrial royalties derived from Malaysia by a resident of Finland who is the beneficial owner thereof shall be exempt from Malaysian tax.
4. The term "royalties" in this Article means payments of any kind to the extent to which they are paid as consideration for:

5. The term "approved industrial royalties" as used in this Article means royalties as defined in paragraph 4 of this Article which are approved and certified by the competent authority of Malaysia as payable for the purpose of promoting industrial development in Malaysia and which are payable by an enterprise which is wholly or mainly engaged in activities falling within one of the following classes:
 - (a) manufacturing, assembling or processing;
 - (b) construction, civil engineering or shipbuilding; or
 - (c) electricity, hydraulic power, gas or water supply.

6. The provisions of paragraphs 1, 2 and 3 of this Article shall not apply if the person beneficially entitled to the royalties, being a resident of a Contracting State, carries on business in the other Contracting State in which the royalties arise, through a permanent establishment situated therein, and the right or property giving rise to the royalties is effectively connected with such permanent establishment. In such a case, the provisions of Article 7 shall apply.

7. Royalties shall be deemed to arise in a Contracting State when the payer is that State itself, a political sub-division, a local authority or a statutory body thereof or a resident of that State. Where, however, the person paying the royalties, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment in connection with which the liability to pay the royalties was incurred, and such royalties are borne by such permanent establishment, then such royalties shall be deemed to arise in the State in which the permanent establishment is situated.

8. Where, by reason of a special relationship between the payer and the person beneficially entitled to the royalties or between both of them and some other person, the amount of the royalties paid, having regard to the use, right or information for which they are paid, exceeds the amount which would have been agreed upon by the payer and the person so entitled in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In that case, the excess part of the royalties paid shall remain taxable according to the law of each Contracting State, due regard being had to the other provisions of this Agreement.

Article 20

OTHER INCOME

Items of income of a resident of a Contracting State not dealt with in the foregoing Articles, shall be taxable only in that State except that, if such income is derived from sources in the other Contracting State, it may also be taxed in that other State.

Article 21

ELIMINATION OF DOUBLE TAXATION

1. The laws in force in either of the Contracting States shall continue to govern the taxation of income in the respective Contracting State except where express provision to the contrary is made in this Agreement. Where income is subject to tax in both Contracting States relief from double taxation shall be given in accordance with the following paragraphs of this Article.

2. In Finland double taxation shall be eliminated as follows:

- (a) Where a resident of Finland derives income which, in accordance with the provisions of the Agreement, may be taxed in Malaysia, Finland shall, subject to the provisions of subparagraph (b), allow as a deduction from the tax on income of that person, an amount equal to the tax on income paid in Malaysia. Such deduction shall not, however, exceed that part of the tax on income, as computed before the deduction is given, which is attributable to the income which may be taxed in Malaysia.
- (b) Dividends paid by a company which is a resident of Malaysia to a company which is a resident of Finland shall be exempt from Finnish tax to the extent that the dividends would have been exempt from tax under Finnish taxation law if both companies had been residents of Finland.
- (c) Where in accordance with any provision of the Agreement income derived by a resident of Finland is exempt from tax in Finland, Finland may nevertheless, in calculating the amount of tax on the remaining income of such resident, take into account the exempted income.

3. In the case of Malaysia, subject to the provisions of the law of Malaysia regarding the allowance as a credit against Malaysian tax of tax payable in any country other than Malaysia, the amount of Finnish tax payable under the law of Finland and in accordance with the provisions of the Agreement, by a resident of Malaysia in respect of income from sources within Finland shall be allowed as a credit against Malaysian tax payable in respect of such income, but in an amount not exceeding the portion of Malaysian tax which such income bears to the entire income chargeable to Malaysian tax.

4. For the purposes of paragraph 2 of this Article, the term "tax on income paid in Malaysia" shall be deemed to include Malaysian tax which would, under the law of Malaysia and in accordance with the Agreement, have been payable on:

- (a) any income derived from sources in Malaysia had the income not been exempted from Malaysian tax in accordance with:
 - (i) sections 54A, 54B, 60A, 60B and Schedule 7A of the Income Tax Act 1967 of Malaysia or sections 21, 22, 26, 30KA or 30Q of the Investment Incentives Act 1968 of Malaysia, so far as they were in force on, and have not been modified since, the date of signature of

the Agreement or have been modified only in minor respects so as not to affect their general character; or

- (ii) any other provisions which may subsequently be agreed in an Exchange of Letters between the Governments of the Contracting States to be of a substantially similar character;
- (b) interest to which paragraph 3 of Article 11 applies had that interest not been exempted from Malaysian tax in accordance with that paragraph;
- (c) approved industrial royalties to which paragraph 3 of Article 12 applies had those royalties not been exempted from Malaysian tax in accordance with that paragraph.

Article 22

NON-DISCRIMINATION

1. Nationals of a Contracting State shall not be subjected in the other Contracting State to any taxation or any requirement connected therewith, which is other or more burdensome than the taxation and connected requirements to which nationals of that other State in the same circumstances are or may be subjected.

2. The taxation on a permanent establishment which an enterprise of a Contracting State has in the other Contracting State shall not be less favourably levied in that other State than the taxation levied on enterprises of that other State carrying on the same activities. This provision shall not be construed as obliging a Contracting State to grant to residents of the other Contracting State any personal allowances, reliefs and reductions for taxation purposes on account of civil status or family responsibilities which it grants to its own residents.

3. Enterprises of a Contracting State, the capital of which is wholly or partly owned or controlled, directly or indirectly, by one or more residents of the other Contracting State, shall not be subjected in the first-mentioned State to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which other similar enterprises of the first-mentioned State are or may be subjected.

4. Moreover nothing contained in this Article shall be construed as obliging a Contracting State to grant to nationals of the other Contracting State not resident in the first-mentioned State those personal allowances, reliefs and reductions for tax purposes which are by law available on the date of signature of this Agreement only to nationals of the first-mentioned State or to such other persons specified therein who are not resident in that State.

5. In this Article the term "taxation" means taxes to which the Agreement applies.

Article 23

~~1. Where a resident of a Contracting State considers that the actions of one or both of the Contracting States result or will result for him in taxation not in accordance with the provisions of this Agreement, he may, irrespective of the remedies provided by the domestic law of those States, present his case to the competent authority of the Contracting State of which he is a resident. The case must be presented within two years from the first notification of the action resulting in taxation not in accordance with the provisions of the Agreement.~~

The following paragraph 1 of Article 16 of the MLI replaces paragraph 1 of Article 23 of this Agreement:

ARTICLE 16 OF THE MLI- MUTUAL AGREEMENT PROCEDURE

The case must be presented within three years from the first notification of the action resulting in taxation not in accordance with the provisions of the Agreement.

2. The competent authority shall endeavour, if the objection appears to it to be justified and if it is not itself able to arrive at a satisfactory solution, to resolve the case by mutual agreement with the competent authority of the other Contracting State, with a view to the avoidance of taxation which is not in accordance with the Agreement. Any agreement reached shall be implemented notwithstanding any time limits in the domestic law of the Contracting States.

3. The competent authorities of the Contracting States shall endeavour to resolve by mutual agreement any difficulties or doubts arising as to the interpretation or application of the Agreement. They may also consult together for the elimination of double taxation in cases not provided for in the Agreement. In particular, they may consult together for the purpose of reaching an agreement on the allocation of income in cases referred to in Article 9.

4. The competent authorities of the Contracting States may communicate with each other directly for the purpose of reaching an agreement in the sense of the preceding paragraphs. When it seems advisable in order to reach agreement to have an oral exchange of opinions, such exchange may take place through a body consisting of representatives of the competent authorities of the Contracting States.

Article 24

EXCHANGE OF INFORMATION

1. The competent authorities of the Contracting States shall exchange such information as is necessary for carrying out the provisions of this Agreement or of the domestic laws of the Contracting States concerning taxes covered by the Agreement insofar as the taxation thereunder is not contrary to the Agreement. The exchange of information is not restricted by Article 1. Any information received by a Contracting State shall be treated as secret in the same manner as information obtained under the domestic laws of that State and shall be disclosed only to persons or authorities (including courts and administrative bodies) involved in the assessment or collection of, the enforcement or prosecution in respect of, or the determination of appeals in relation to, the taxes covered by the Agreement. Such persons or authorities shall use the information only for such purposes. They may disclose the information in public court proceedings or in judicial decisions.

2. In no case shall the provisions of paragraph 1 of this Article be construed so as to impose on a Contracting State the obligation:

- (a) to carry out administrative measures at variance with the laws or the administrative practice of that or of the other Contracting State;
- (b) to supply information which is not obtainable under the laws or in the normal course of the administration of that or of the other Contracting State;
- (c) to supply information which would disclose any trade, business, industrial, commercial or professional secret or trade process, or information, the disclosure of which would be contrary to public policy.

Article 25

Nothing in this Agreement shall affect the fiscal privileges of diplomatic agents or consular officers under the general rules of international law or under the provisions of special agreements.

The following paragraph 1 of Article 7 of the MLI applies to this Agreement:

ARTICLE 7 OF THE MLI – PREVENTION OF TREATY ABUSE
(Principal purposes test provision)

Notwithstanding any provisions of the Agreement, a benefit under the Agreement shall not be granted in respect of an item of income if it is reasonable to conclude, having regard to all relevant facts and circumstances, that obtaining that benefit was one of the principal purposes of any arrangement or transaction that resulted directly or indirectly in that benefit, unless it is established that granting that benefit in these circumstances would be in accordance with the object and purpose of the relevant provisions of the Agreement.

Article 26

ENTRY INTO FORCE

2. The Agreement shall enter into force thirty days after the date of the later of the notifications referred to in paragraph 1 of this Article and its provisions shall have effect:

Either Contracting State may terminate the Agreement through diplomatic channels, by giving written notice of termination on or before the Thirtieth day of June of any calendar year following after the period of five years from the date on which the Agreement enters into force.
