IF THE FORM IS WRONGLY FILL IN?

For BE forms, submissions can be made electronically through the BE amendment e-application - more cases report income, less claims.

Amended Statement Form - case not / less report income and expenses more demanding. For the Amended Return Form there is no printing of the assessment notice because the notice is deemed to be deemed on the date the Amended Return Form is submitted to the branch.

Attend the branch by submitting all documents, receipts claimed and want to be claimed.
